- Movable Speed Indicator Device could be installed for one month. These are due to be installed on Dog Hill during the week beginning 1st December, they usually go out on a Friday to do them but may have to change due to the weather.
- School warning lights to be repaired as the lights are not working. I've passed this on to the team, they are picking it up with the sign manufacturer to have them repaired.
- Clearway signage to be installed Shafton Working Men's Club Bus stop preventing vehicles from stopping or parking with in it. An engineer is producing a design and will issue it for construction shortly. It can take a while to have the markings installed as we need to ensure we have enough work in an area but at least this will be on the list. To follow up on this

292 .00 Any other business.
